Only one student is allowed to use the restroom at once time; be considerate of your classmates.

Class time is for academic learning; passing periods, break, before and after school, and lunch are for taking care of personal needs. I do recognize that sometimes there are emergencies that can not wait.

Their new apartment is her most recent find – too expensive with bad plumbing and in need of a paint job. After a six-day honeymoon, they get a surprise visit from Corie's loopy mother and decide to play matchmaker during a dinner with their neighbor-in-the-attic, Velasco, where everything that can go wrong does. Paul just doesn't understand Corie, as she sees it. He's too staid, too boring, and she just wants him to be a little more spontaneous. Running "barefoot in the park" would be a start... LATE WORK POLICY:

An assignment is considered late if it is not turned into the teacher by the designated due date. **ALL late assignments will be awarded 50% of what the assignment deserves.** An assignment worth 10 points can not receive more than a 5/10 if it is late.

I will not accept work past the grading period in which it was assigned.

If you are absent, it is *your responsibility* to contact the teacher to obtain any and all missed materials and information. The website calendar is also an excellent way to keep track daily of what is happening in class and what is for homework. Assignment deadlines are non-negotiable.

CHEATING AND PLAGIARISM

Students will be expected to complete assignments to the best of **their personal ability** to display learning. Cheating violates this belief and will not be tolerated. Anyone caught cheating will automatically fail the assignment and be subject to school and district penalties.

Plagiarism is the act of using another person's work and submitting it as your own. This behavior is **unacceptable**. Anyone caught plagiarizing will automatically fail the assignment and be subject to school and district penalties.

EXTRA CREDIT

Extra credit assignments may be available throughout the school year, but extra credit assignments will not be accepted **unless that student has turned in all of the class's required assignments**. Extra credit can account for no more than 2% of your overall grade.
